

ANNOUNCEMENT

OF

COLUMBIA

INSTITUTE

This historic school for girls and young women announces the opening of its eighty-second session on Thursday, September the nineteenth.

The courses of study offered at the Institute are the regular Institute Course, Junior College Work, and Advanced Elective Courses, while the College Preparatory courses conform to the requirements of the Southern Association of Colleges. Special advantages are offered in Piano, Voice, Art, Expression, Domestic Science, Cooking, Sewing, as well as the graceful and healthful accomplishment of Horseback Riding. The physical development of the girls is a feature at the Institute and athletics and outdoor exercise are a part of the regular curriculum.

The following faculty guarantees the careful and intelligent instruction of each and every pupil in the school, which is impossible in overcrowded class rooms. No teacher of crowded classes can get in personal touch with the pupils and her teaching must of necessity be more or less mechanical.

HON. D. D. HUMPHREYS PRESENTS CLAIM TO SENATE NOMINATION

LEWIS COUNTY CANDIDATE HERE
TO MINGLE WITH MAURY
DEMOCRACY.

MAKES A FINE IMPRESSION

Friends Claim That Under All The Circumstances the Small County is Entitled to the Honor of Furnishing The Candidate This Time.

Hon. D. D. Humphreys, of Lewis county, who has received the endorsement of the democracy of his county for senator from this, twentieth district, is here today meeting and conferring with the democrats of the county. Mr. Humphrey is anxious that he receive the endorsement of growing breeding establishment, Maury county, because should he do so, it would insure his election to the senate.

Two years ago, Mr. Humphreys was the choice of Lewis county. Afterward Maury county democrats in their convention, endorsed Hon. J. W. C. Church for the senate, and in the interest of harmony, Mr. Humphreys withdrew and Lewis county had no candidate. He again went before the democrats of his county this year and in a warm contest defeated for Senator, Fred L. Schuebert, for the nomination. He has, therefore, made two contests in his county.

Mr. Humphreys believes that Lewis county is entitled to the senator this year since that county has not had the nominee in twelve years. The last time that the senator was conceded to Lewis county was in 1904, when Schuebert was elected. Two years later Maury county furnished the senator, when William B. Greenlaw was elected. In 1908 Perry county furnished the senator and sent John A. Greer. In 1910 Maury county elected the senator and sent Dr. T. Bledsoe Brown; in 1912 and 1914 Maury county also elected the senator and sent J. W. C. Church. Friends of Mr. Humphreys claim that Maury county having had the senator eight years and Perry two years, since Lewis county had the member it is time that county was honored.

Mr. Humphreys made a splendid impression today. He is an old friend of Judge Salmon, with whom he taught school many years ago in Hickman county.

SPLENDID RAINS OVER THE COUNTY

MAKE IT EASY FOR THE FARMERS
TO PREPARE FOR FALL
SOWING.

Splendid rains over the county during the past two days have done much to insure a good yield of late corn. Pastures have never been better for this season of the year than they are now. In fact, grass is as plentiful as is ordinarily the case in the early spring and cattle are generally reported to be making gains, although the dry pest is worse than it was in the dry years. The rains are making it much easier to turn and prepare the land for fall sowing.

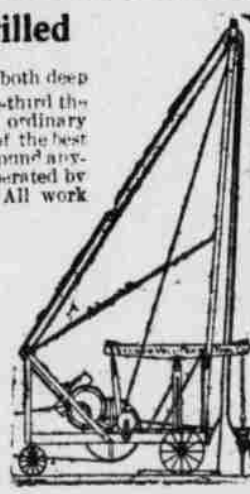

One way to relieve habitual constipation is to take regularly a mild laxative. Doan's Regulets are recommended for this purpose. 25c a box at all drug stores.—(Advt.)

Wells Drilled

Water wells drilled, both deep and shallow, in one-third the time required by the ordinary well machine. One of the best equipped rigs to be found anywhere. Run and operated by an eastern driller. All work guaranteed and prices reasonable. For further information, call or write

FIRST HORSES FROM TOLLEY FARM GO IN COVETED 2:20 LIST

THREE OF THEM MAKE SPLENDID RECORDS IN FIRST RACES.

GEORGE T. FINE PERFORMANCE

Youthful Phenomenon Shows That He Has the Stuff Out of Which Records Are Made—Rose Direct's Burst of Speed.

To Tolley Farm belongs the unusual distinction of having the three first horses bred within its confines, in their first races on regular tracks, to make records better than 2:20. This is an exceptional record and will be sure to prove quite an asset to this growing breeding establishment. George T., the splendid young phenomenon, discovered by Mr. Tolley's son, started in his first race last week at Bell Verna and won the first two heats in 2:16 1/4 in both heats. He was then withdrawn and in his place the same owner substituted John A. Hal, by John A. out of Hallie Dillard by Brown Hal, who won the next three heats. Geo. T. was used in the first two heats apparently to wear down the opposition.

Rose Direct, by Brown Direct 2:18 1/4; dam Elkrose 2:18 1/4, whom Tolley Farm sold to C. T. Wescoat, of Orlando, Fla., won a good race at Rockwood, Ohio, last week on a half-mile track. She paced the fourth heat in 2:12 1/4, and Mr. Wescoat declares that she is sure to be a 2:04 pacer. This places all three in the 2:20 list. All records, too, were made on half-mile tracks.

Itching piles provoke profanity but profanity won't remove them. Doan's Ointment is recommended for itching, bleeding or protruding piles. 50c at any drug store.—(Advt.)

You Cannot Buy Credit

any more than you can buy character, for character is the basis of credit. So said the elder J. P. Morgan a few years ago.

BUT YOU CAN DO THIS:

You can make credit by making character as you go, and while you are doing this, it will be well enough for you to look after your financial affairs by keeping an account with a good Bank—this Bank for instance. If you want to save money, we'll pay you interest while you are saving. If you have a checking account, we offer you every consideration that a good Bank could offer you.

NINE REASONS for Buying Your SILO at HOME

1. You save money.
2. You save freight on staves and fixtures by our direct purchases and shipments.
3. You get your silo with minimum selling and handling cost.
4. You pay for no expensive offices, huge advertising bills, big salaries and overhead expenses.
5. You get more anchorage, a hinged door, a steel-step ladder—advantages that you frequently have to pay for as "extras".
6. You get better fixtures throughout.
7. You get every "necessary" feature of a high grade silo, with every "unnecessary" expense eliminated.
8. You pay for "silo" and not for costly selling methods that add nothing to the value of your silo.
9. You get "more silo" for "less money".
